## Program ~ Local Heroes

### Doug Kamberg

Doug Kamberg served in the US Army from 1966-1969 as a communications wireman. He hung communication wires in Vietnam on the front line before the troops arrived to set up camp. Doug explained the difficulty of hanging the wire, as it couldn't be laid on ground and the rubber trees made it tough to hang wire within the trees. Doug was 19 years old and scared to death but wanted to defend our freedoms. When he returned home there was lots of negative press. He had 13 jobs the first year he was home.

### Jackie R. Rapp

#### Military Summary of Jackie R. Rapp (USMC) from Adella Rapp

First of all, my husband did this summary under duress. He had a Top-Secret Clearance and if he told us EVERYTHING then he would have to Kill us all.

Jack entered the United States Marine Corp on October 14, 1968, two days after his 21<sup>st</sup> birthday, on a Aviation Guarantee Contract for four years. Entered boot camp (MCRD) at San Diego, Ca. He spent 10 weeks in boot camp, graduated at Christmas. Then proceeded to (ITR) Infantry Training Regiment at Camp Pendleton, Oceanside, Ca. This is normally a 3 months training program for ground units but only 14 training days for a "School Selected" Marine.

Proceeded to NAS Jacksonville, Florida, where he went to school for nine months for aviation. Graduated and proceeded to Marine Corp Air Station, Santa Ana, Calif., for assignment to an aviation flying unit. Received orders to Viet Nam, served two tours, and proceed back to Sant Ana, Calif. At this time got married September 1971 to Adella (Castaneda) Rapp. They proceeded to Selfridge Air Force Base (SAC), then proceeded to Alameda Naval Air Station for orders to train aircrews at Marine Corp Air Station, Alameda, Calif. We/He spent tours to Okinawa-Japan, Osan-Korea, Iwakuni-Japan, HMX-1 Quantico-Va., then to NAS/MCAS Willow Grove, Pa., then final stops at MCAS El Toro, Calif., where we retired on October 22,1988. The we moved back to Porterville, Ca for our lives last event and move.

## Local Heroes, continued

### Ron Anderson

Ron Anderson served in the Navy from 1957-1960. He was only 17 years of age. He was active in the ROTC Program at Porterville High School, and lettered on the Rifle Team. His participation on the team and the 9 man Drill Team provided him the advanced title of Seaman First Class when he entered the military, although he had to have his parents permission since he was entering underage.

During his time of active duty he served on several bases in several states. While at Point Mago Naval Air Base, he worked in the Post office and was given special clearance for Top Secret information. He went to multiple schools for his expertise -Jet Mechanic, including time in Oklahoma. Like any engine, jet engines require maintenance and refurbishing after a determined amount of use or flight time. Mr. Anderson specialized in this field. He spent many hours of schooling and hands on to perfect this trade.

Most of his time was spent at China Lake. Ron recounts the many planes and people he met there. He was captain of a number of planes at a time. Sometimes these two-seater, twin engine jet fighters had special passengers. Numerous notables and actors found themselves in his planes. Pilots were assured they were getting into a plane ready to fly when it was his jet! He also took great pride in working with scientists working with his F-6 jets. It was during this time that they were working on the Sidewinder Missile.

Ron enlisted at the same time as his older brother, Leland Anderson, who worked on prop planes. Their younger brother, Bobby Anderson would follow them later enlisting to work on plane communications. Ron stayed in reserves for 5 years after his active duty, where he continued to rebuild and repair engines for several local auto shops, including his own family shop, Anderson Volkswagen House.

A beautiful Veteran's quilt was presented to Ron Anderson in his home by Georgeanne Borjon his sister-in-law, on behalf of Porterville Quilter's, Local Heroes Project. Ron's family was present to participate in the presentation and to show thanks as well to this wonderful program that acknowledges and honors those in our community who have served our country in military duty. Mr. Anderson was honored and blessed to receive such a wonderful gift and appreciated the time and effort many hands shared to create it.

## Donation and sale

Dr. Sampath donated all of Sue's sewing stuff to the 2 clubs she belonged to. Terry and I were able to pick it all up and it is stored at our homes. We will be sharing all of the fabric and notions at a later date but at this time we have her Janome Memory Craft 7700 QCP sewing machine and attachments and sewing table available if anyone is interested in purchasing them (either together or separate).

I have looked up prices and the machine ranges from \$7000 down to 1000, and table for \$2,000 down to \$800, depending on the day and computer search. We would like to sell both for \$2000 or machine for \$1200 and table for \$800. If you are interested please call either Terry (559)381-0998 or Karen (559)920-5291.

Per Dr. Sampath's request the money will go into scholarships category.
